The Beach Area

As members of the RLFPOA our beach is a wonderful place to go and spend time with our families. The bid for tree removal was brought before the members and it was accepted unanimously. Hopefully you get time to go and check out the new view of the lake and beach area. (pictures are on our Facebook Page) Also this is going to allow more sun on the beach area for you sun lovers and help stop the erosion of the shoreline. Of course there is more work to be done but it is a wonderful start, if you have ideas, time, equipment and/or want to help with the beach please let me know. ALSO please remember the beach is ours and as members we are the ones who are responsible to keep it nice.

We do have equipment to use on June 25th to start more projects on the beach and if you are available please come on down and help. We will be starting at 11am if you can make it.

Beach Bathrooms - Restrooms at beach were locked down but now are open but repairs still need to be done, but we didn't want to inconvenience anyone. The members agreed on a budget of \$3000.00 for repairs to be taken from emergency funding. We are working very hard on getting bids for the work to be done and to get this done as soon as possible so it also can be reopened for you and your family to use. Your patience with all of the improvements that are being done it is greatly appreciated.

The board would like to thank everyone who came out to the meeting; it was great to hear all of the positive attitudes, great suggestions and to see such great member participation to make our little part of this big world an awesome place to make memories. We as the members are the only ones who can make the Forest a beautiful place that people want to come and enjoy life. We are hoping the next meeting the turnout will be as great along with more suggestions and participation from everyone.

Congratulations to Marvin Osebold who was our 50/50 winner of \$62.00

Reminder:

Covenants and By-Law copies and replacement keys: We would like to remind everyone that your first copy, which you should have received upon joining the RLFPOA (either by purchasing Property or Renting), is Complimentary.
