Deb Hubble has given notice to the membership that she will not be renewing her contract as our financial administrator. Please contact the board if this is something you would be interested in. Please send your resume to [roselakeforest@gmail.com](mailto:roselakeforest@gmail.com) by April 15<sup>th</sup>. Interviews will begin soon. We would like to thank Deb for the FANTASTIC job she has done for us! We will miss having our "go to" person. Deb, thank you for everything! Please contact us for further info on this position

Dumpster news: This summer we have contracted for a twice a week emptying of dumpsters. This should really help during our busy times. Reminder: Please do not hold your garbage and dump all at once. We are seeing pickup loads being held and then dumped resulting in overfill, which causes us to be charged more money.

For pavilion registration for all members in good standing, please contact Darrell Tue at 313-829-1260.

The board continues to enforce violations of rules in the forest. Let's work together to both keep our forest clean and beautiful.

With spring around the corner.....remember we have new boating rules.

#### Additions to Article VIII Rule #10 BOAT DOCKING

Boat docking slips will be reserved on a 1<sup>st</sup> docked basis every spring

Once your boat is docked in the slip, you will need to fill out an owner information form and affix a RLFPO boat sticker

Once assigned this sticker, the member will have this boat slip for the season

All boats must have bumpers/fenders to protect other docked boats

All boats must be removed from the boat slip by November 1<sup>st</sup>

No fishing from boats that are docked in slip

Please keep the area around your boat and beach clean of weeds and debris

There is a "day use" area on the right side of the beach for members that do not have a designated boat slip. Day use by members also require a member identification form to be submitted and a RLFPO boat sticker

This rule becomes effective 10 days after the postmark on the 2018 fall newsletter

#### Additions to Article VIII Rule #11 BEACH BOAT STORAGE

Members are required to fill out an owner information form for all boats left on shore at RLFPO beach and must have a RLFPO boat sticker affixed to their boat

Please keep the area around your boat and beach clean of weeds and debris

All boats must be removed from the boat slip by November 1<sup>st</sup>

Boats left on beach after November 1<sup>st</sup> will be subject to a \$50 fine

Boats not removed by May 1<sup>st</sup> of the next season will be considered abandoned and the Sherriff department contacted for further action.

This rule became effective 10 days after the postmark on the 2018 fall newsletter

Boat registration forms available by contacting Darrell Tue 313.829.1260 Registration of boats is important for docking assignment, but also so owners can be contacted in the event of an issue with their boat. Although RLFPO are not responsible for the property of your boat, if someone notices a problem the boat owner can be contacted. We also want to ensure only RLFPO are using our beach.

There were 7 boats left on the beach after November 1<sup>st</sup> this season. These boats were impounded by RLPOA. Owners will be charged \$50 each for release. After May 1<sup>st</sup> any boats not claimed and fine paid will be considered abandoned.

Wishing all our fellow members and families an early spring ☺
